

***“When I am filming non-habituated wildlife, I like using Sleeping Indian Design clothing so I am not seen or heard.”***

*-Kenneth Houseman  
Wildlife filmmaker and photographer*

***“It performed flawlessly while I was filming polar and brown bear in the Canadian and Russian Arctic.” Thank you Sleeping Indian Designs.***

*- Shane Moore  
Photographer for National Geographic,  
Discovery Channel, PBS & BBC*

***“The soft-edged camouflage pattern blends into the background and offers concealment. Wildlife photography in the dead of winter had never been a very pleasant activity. Sleeping Indian gear has changed that.***

*-Erwin Bauer  
Professional wildlife photographer*

***Enjoy the natural beauty of  
the great outdoors...  
quietly and comfortably.***

***Art Wolfe -Professional wildlife photographer is pictured here dressed and ready for action in Sleeping Indian Designs' Camo.***

***“With many thanks for keeping me warm and dry when out photographing! Best wishes”***

*-Tom Mangelsen,  
Professional wildlife  
photographer*
