

How to Measure for correct sizing —

1	Height	
2	Weight	Please be accurate
3	Neck	Measure around the neck, add 1/2" for wearing ease
4	Chest/Bust	Measure around fullest part of the chest, just under the armpits, chest expanded
5	Dress Shirt	Your normal off-the-rack size
6	Dress Shirt Sleeve	With arm down, touching your side, measure from center of back of neck to shoulder to wrist bone
7	Actual Waist	Position around established waist, use relaxed measurement
8	Blue Jean Size	The size of jeans you currently wear
9	Hip	Use largest part of seat, near top of hip bones
10	Abdomen	Measure around largest part of abdomen
11	Inseam	Over pants, from crotch seam to boot instep
12	Outseam	Over pants, from waist to top of boot heel
13	Back Width	Measure shoulder point to shoulder point, 3" below base of neck
14	Crotch to Knee	From crotch to center of knee
15	Glove	Measure around widest part of hand between thumb and base of fingers
16	Foot	Please give your size and width
